

Fatima Noor

Profile

I am student of Electrical and Computer Engineering , as specialization in TELECOM, currently studying in 6th semester in COMSATS university Islamabad WAH Campus, looking for an opportunity to utilize and enhance my technical and personal skills. I am also serving as a member of IEEE society in CUI Wah (student branch). I am also a part of WIE (Women In Engineering) society. I am fond of achieving the required goals. I am eager to avail the opportunity to learn more and gain experience related to my field by working in collaboration with your company.

Skills

Programming Languages

C++	<div><div></div></div>
